Dear Prof Ruff

RE: Acknowledgement of preparation of contingency plan for NIH-funded HEAT Center

Protocol Title, Protocol Number:	**Titles**: HEAT001: Individual Participant Data meta-analysis to quantify the impact of high ambient temperatures on maternal and child health in Africa HEAT002: Innovative machine learning and multi-source data analysis towards development of an urban heat-health Early Warning System for African cities **Protocol number**: HEAT001 and HEAT002
Study Type:	Secondary data analysis
Principal Investigators:	Professor Matthew Francis Chersich
Funding:	National Institute of Health Common Fund
Ethics Ref no:	220605 and 220606

The study team of the HE^{2}AT Center [HEAT001 HREC No:220605 and HEAT002 HREC No:220606] has met to complete the required all-risk disaster recovery plan, and have considered the most important aspects to safeguard study participants should a major event, such as a complete stop in funding, occur either now or in the near future.

Kind regards,

Professor Matthew Chersich
